

Camai Paluwik,

We have successfully completed Year 1 of our ANA Immersion Language. We will continue to do projects throughout this year as we did in year 1,

- TPR Trainings
- Parent Classes
- Saturday Camps
- Teaching at the Chugachmiut Head Start School
- Teaching at the Kenai Peninsula Borough School District

TPR (Total Physical Response): Nita Rearden our TPR Trainer/Curriculum Developer and Sugt'stun Editor/Rhoda Moonin, will host trainings based on the Curriculum, we are currently utilizing the Chugachmiut Sugt'stun/Alutiitstun Litnaursutait Lessons put together by Elders throughout our region.

Further Trainings: Elder Trainings, we will keep you up to date on those as we are needing more parent and elder participation, two of which are much needed to continue learning outside of both schools. We are open to all suggestions, information and comments on how else to involve our community members and families.

Parent Classes: Families that have Students in Head Start and K-12th Schools, we are asking you to join us in learning what our Sugt'stun Teacher-Teacher Aides are teaching in class. We have class materials and other resources, come by and check it out. We will post flyers up when we are hosting the parent classes.

Saturday Camps: will schedule throughout the year, please watch for flyers, postings on the web, come and join us, we base the Saturday Camps around our Subsistence, come and learn or advise us as we teach.

With the New Year comes new employee's:

- ❖ Sugt'stun Teacher Aide: Michelle Hetrick (*In need of a Backup/Sub*)
- ❖ Sugt'stun Teacher: Rick Richer, last day was Sept. 30, Louise DeVault
- ❖ Early Childhood Teacher: Rhonda Wulf LaBelle
- ❖ Early Childhood Teacher Aide: Heather Joseph

Michelle Hetrick has been in training as our Sub-Sugt'stun Teacher Aide since July, Ephimia will be on Medical Leave until December. Tamamta Litnaurluta: We All learn Together is always looking for Backup/Sub for the Sugt'stun TA, we can always use the support, so we can continue teaching at both schools, if interested in being involved, stop on by the Port Graham Village Council Office and see Rita Meganack/Project Coordinator and fill out an application. Below are just a few of the most important requirements, others will be brought up in your orientation packet.

Sugt'stun TA Requirements:

- ✓ Background check
- ✓ Knowledge and able to speak our Sugt'stun Language
- ✓ Works well with children ages 3-18
- ✓ Computer knowledge
- ✓ Daily Sugt'stun lessons
- ✓ Flexible with work schedule (well structured)
- ✓ Communication is a MUST

Quyana'ii

Rita Meganack/ANA Project Coordinator
