

Camai Paluwik,

Activities to complete from now until July 31st listed below, these activities are open to the public to join.

- Saturday Camp = (3) May- July **Please watch for flyers**
- Parent Classes= (20) Starting May 23rd ending June 20th
- Education Committee Meeting = (6) May – July **Please watch for flyers**
- TPR Training = Date to be determined **Please watch for flyer**

Saturday Camps are based on Culture Events on what is in season, last year we did Trout in May, and taught students how to round haul schools of trout up the bay, and how to clean and hang them to dry.

Parent Classes we will teach parents, what is taught at the school, based on the Curriculum.

Education Committee Meetings ANA staff get together and meet on current needs of the grant.

TPR Training Total Physical Response taught by Nita Rearden who has experience in this area to expand our teaching abilities to students/parents/community members.
