Library Chatter

on **BABY AND TODDLER BOOKS TO CHECK OUT**

by Christalina Jager

In an effort to encourage the importance of reading to our youngest youngsters here in Port Graham, the Library has checked out a couple Ready to Read Tubs from the Interlibrary Loan Program run out of the Anchorage Public Library. The tubs we have in the library today have primarily board books and baby books. We encourage parents and/or grandparents to stop by and check out the books.

There are Lapsit Bags that can be checked out for a 3 week period and each Ready to Read Tub will be available in the library for 6 weeks. Parents can also borrow the lapsit materials of their own choosing from the interlibrary loan program. I will be happy to help anyone interested in doing so.
