CHUGACHMIUT THERAPIST IN PORT GRAHAM

Hello! My name is Gary Weglarz, and I have recently begun working as a therapist with Chugachmiut. I'm honored to be Port Graham's newest year round resident. I will be offering a variety of supportive counseling services here in Port Graham and Nanwalek. In addition to substance abuse services, I will provide counseling support for depression, anxiety, grief, and for the many common stressors and challenges we all face in our daily lives. There is no problem we can't talk about together.

I have worked in the area of counseling services for 35 years, and enjoy working with people of all age groups. Currently I have a temporary office in the council building, but may be moving to an office in the clinic soon. I work from 8:30-5:00 Monday through Friday, and currently plan to be in the Port Graham office Monday, Tuesday and Wednesday morning, before flying to Nanwalek for the remainder of the work week.

You don't have to have a problem to come and see me. I love to meet new people and visit, so please stop me on the street, call, or drop by my office and say hello.

Gary Weglarz, LCSW, CDC-1 #284-2227

BEST WISHES TO OLGA:

Olga Fomin the Kenai Peninsula School District's, Port Graham School Secretary will be retiring this year. Her last day was May 29th and plans to take it one day at a time.

The Port Graham Village Council would like to recognize her for her 11 years of service and dedication to our school and children. She would often bake special goodies for birthdays, and holidays. I heard that her cupcakes are the best!

You will be missed by many people here and abroad.

We wish you the best of life in all your future endeavors.

Thank you Olga!

COMMUNITY SPEED LIMIT:

This law is for **ALL VEHICLES ON THE ROAD!** This means trucks, cars, Hondas, motorcycles, vans etc.

- 15 MPH on all roads
- Except for the back road starting from Wayne Norman's intersection to the first street light before Duncan Heights Subdivision is 20 MPH.
- Pedestrians have the right of way!
- During **dry conditions** you must **slow down** when approaching pedestrians to limit raising dust. Dust is hard on the lungs of our Elders and Youngsters.
- Summer is here so watch out and slow down for **kids on bikes.**

DRIVE SAFE THIS SUMMER!

2009 Subsistence Salmon Harvest Permits are Here!

2009 Subsistence Salmon Harvest Permits are available to pick up at the Port Graham Village Council. Office Hours: 8:30am-12:00om and 1:00om-5:00pm We would also like to remind all of our subsistence fishermen and fisherwomen that we need for you to call in the number of fish that was caught at the end of each month to Karen or Fran. We need to report the catch numbers to the Division of Subsistence in order for us to keep our subsistence fishing open here in Port Graham.

Thank you for your cooperation.

DUNCAN SLOUGH IS PRIVATE PROPERTY

Through out the year there are many people that go down to Duncan Slough, with summer around the corner, it's nice to walk or use a 4-wheeler to go down to the beach, because it's so warm and fun. For student's it's a great place because there is **NO** adult supervision. I have **NEVER** refused anyone from going down to the beach using 4-wheelers to go down the trail. **ALL** I ask is that you bring **OUT** your **TRASH** and **DO NOT BUILD ANY FIRES** down there. I have a hard time understanding why you just don't ask to go through **PRIVATE PROPERTY**. There are **"NO TRESPASSING"** signs up. I guess we were all taught to ignore the Private Property laws. When you choose to go through private property without permission you are breaking the law and entering at your own risk.

Thank you for your time and effort.
